

We look forward to introducing the graduating

CLASS OF 2026

to Life at Gateway!

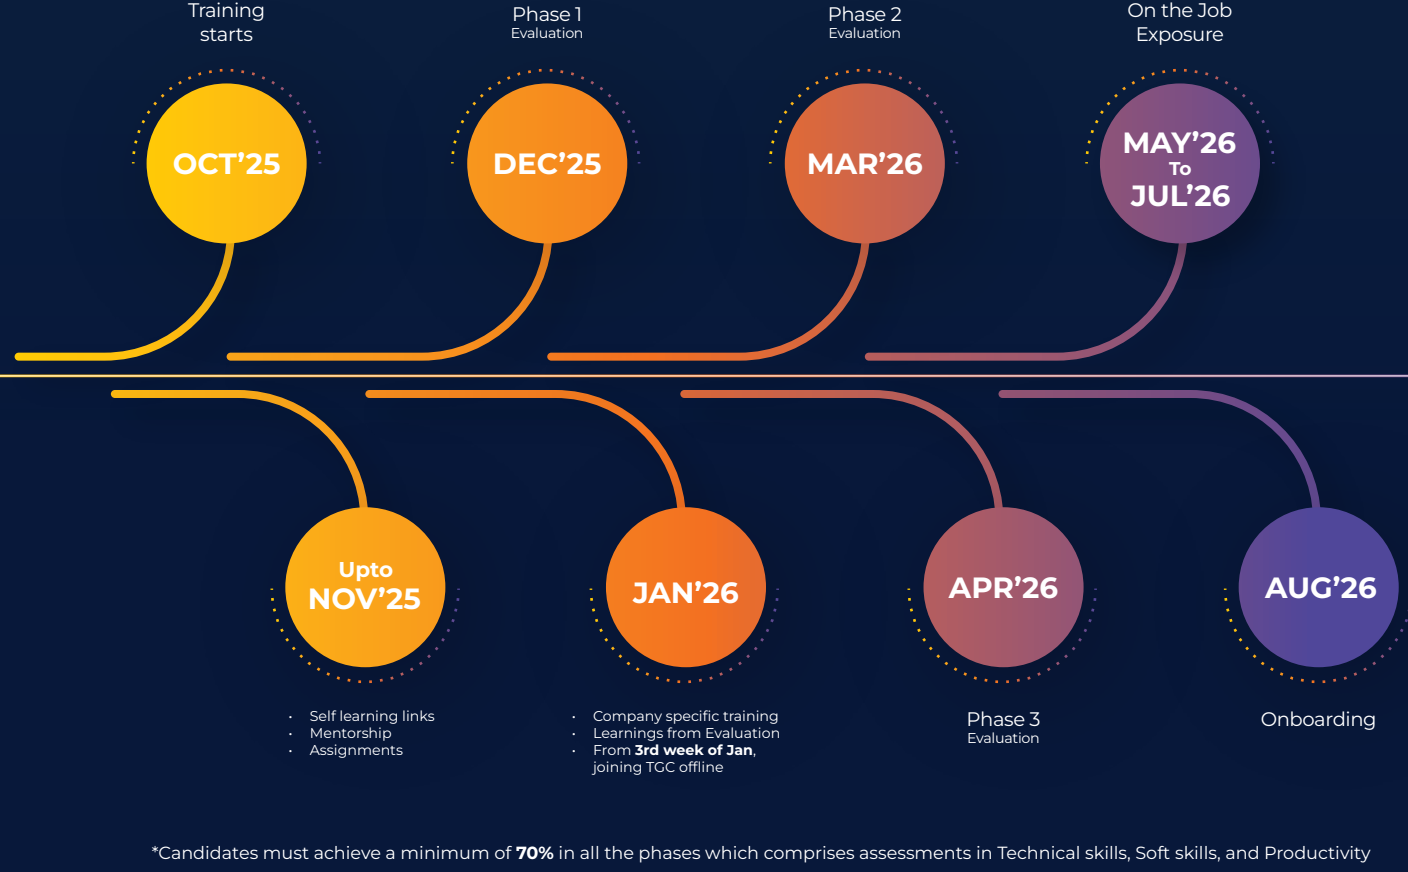

We are a **28-years-old**, software engineering company operating in over **30 countries**.

The DNA of Gateway is focused on delivering real, measurable results for our clients.

Likewise, we are equally committed to the growth of our team members.

Through personalized, hands-on learning paths, we guide each individual's career journey and empower them to become the leaders of tomorrow.

Gateway Accelerated Technology Immersion (GATI) Programme

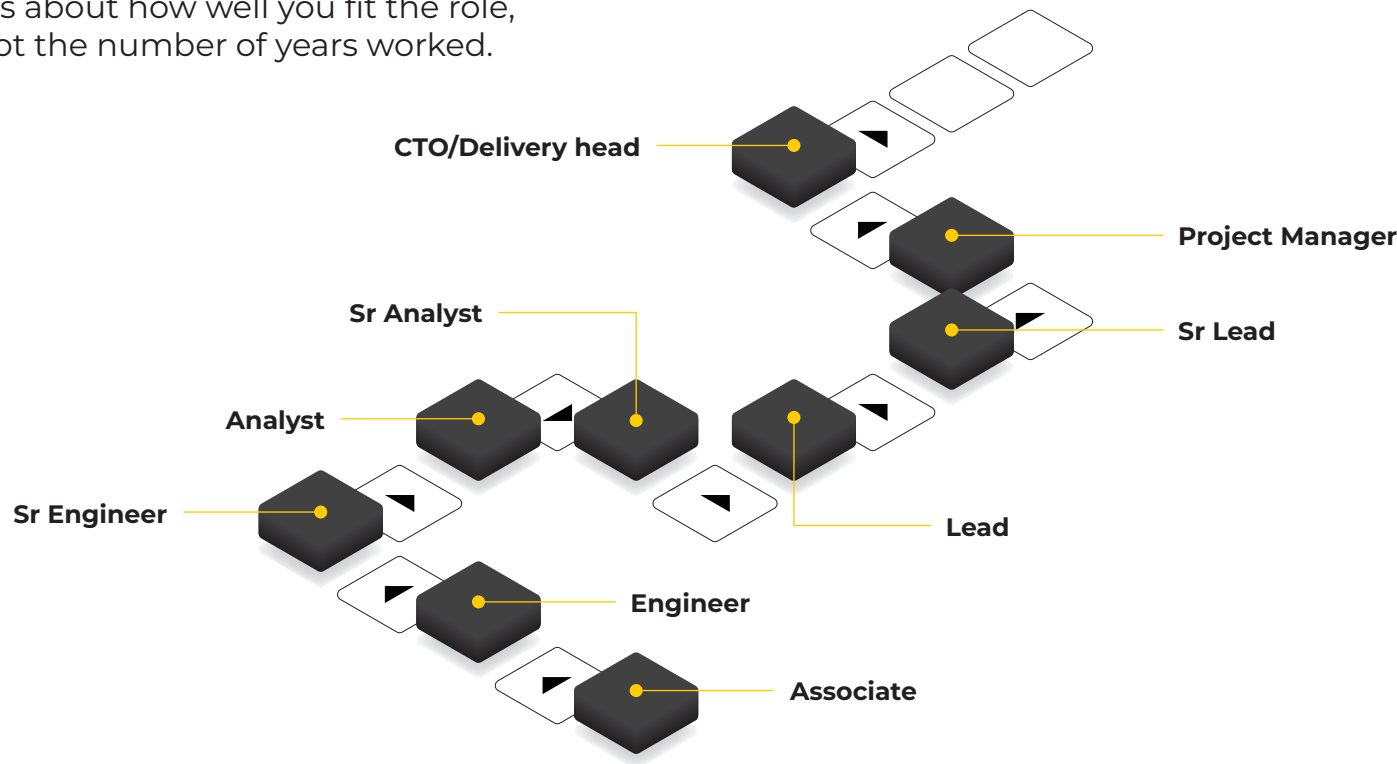

*Candidates must achieve a minimum of **70%** in all the phases which comprises assessments in Technical skills, Soft skills, and Productivity

GATEWAY INTERNAL FAST TRACK (GIFT)

Advance your career quickly with our **GIFT Program**.

It's about how well you fit the role, not the number of years worked.

MAJOR TECHNOLOGY STACKS

*The training will be imparted on majority of all / some / additional of the above technologies based on the existing / future requirements of technical expertise. Furthermore, the technologies on which the Associates will get to work upon will solely depend on the specific project requirements at the client end.
